ORGANISATION

INTERNATIONAL FELLOWSHIP OF EVANGELICAL STUDENTS (IFES)

LOCATION

WORLDWIDE

Based in Oxford

IFES

Sunday 5th May 2024

The students of today are the leaders of tomorrow! IFES believes that students, thriving in communities of disciples and transformed by the gospel, will impact the university, the church, and society for the glory of Christ. We work towards this vision by nurturing independent, nationally-led movements, of which we currently have 164.

As a global network, we develop vision, training, and expertise to support each national ministry. United and strengthened in this fellowship, students and movements exchange resources, ideas, and experience. Student initiative lies at the heart of IFES ministry.

Members of St Andrew's who work for IFES: Tim Adams, Sophie Adams, Sophie Aldred, Eliza Justice, Charlotte Screnock and Kirsty Thorburn.

PRAYER

We would value prayer for:

- Our General Secretary, Tim Adams and his family. Tim is frequently away from home, visiting IFES movements and attending meetings. In April he spoke at a staff Formación in Turkey and attended the 60th anniversary of the IFES movement in Chile. Pray for his fundraising trip to the USA in May.
- Praise God for our recent Global Giving Day for pioneering projects.
- Our 'Logos and Cosmos Initiative', trains and funds young academics to lead science and theology projects in Africa and Latin America. It seeks to bring a Christian perspective on relevant issues such as mental health, bioethics, and the climate crisis. Pray these projects have lasting impact and create opportunities for witness.
- Annual leadership and board meetings in Hungary in June.

Thank you for praying.
